Configuration (MOST IMPORTANT)

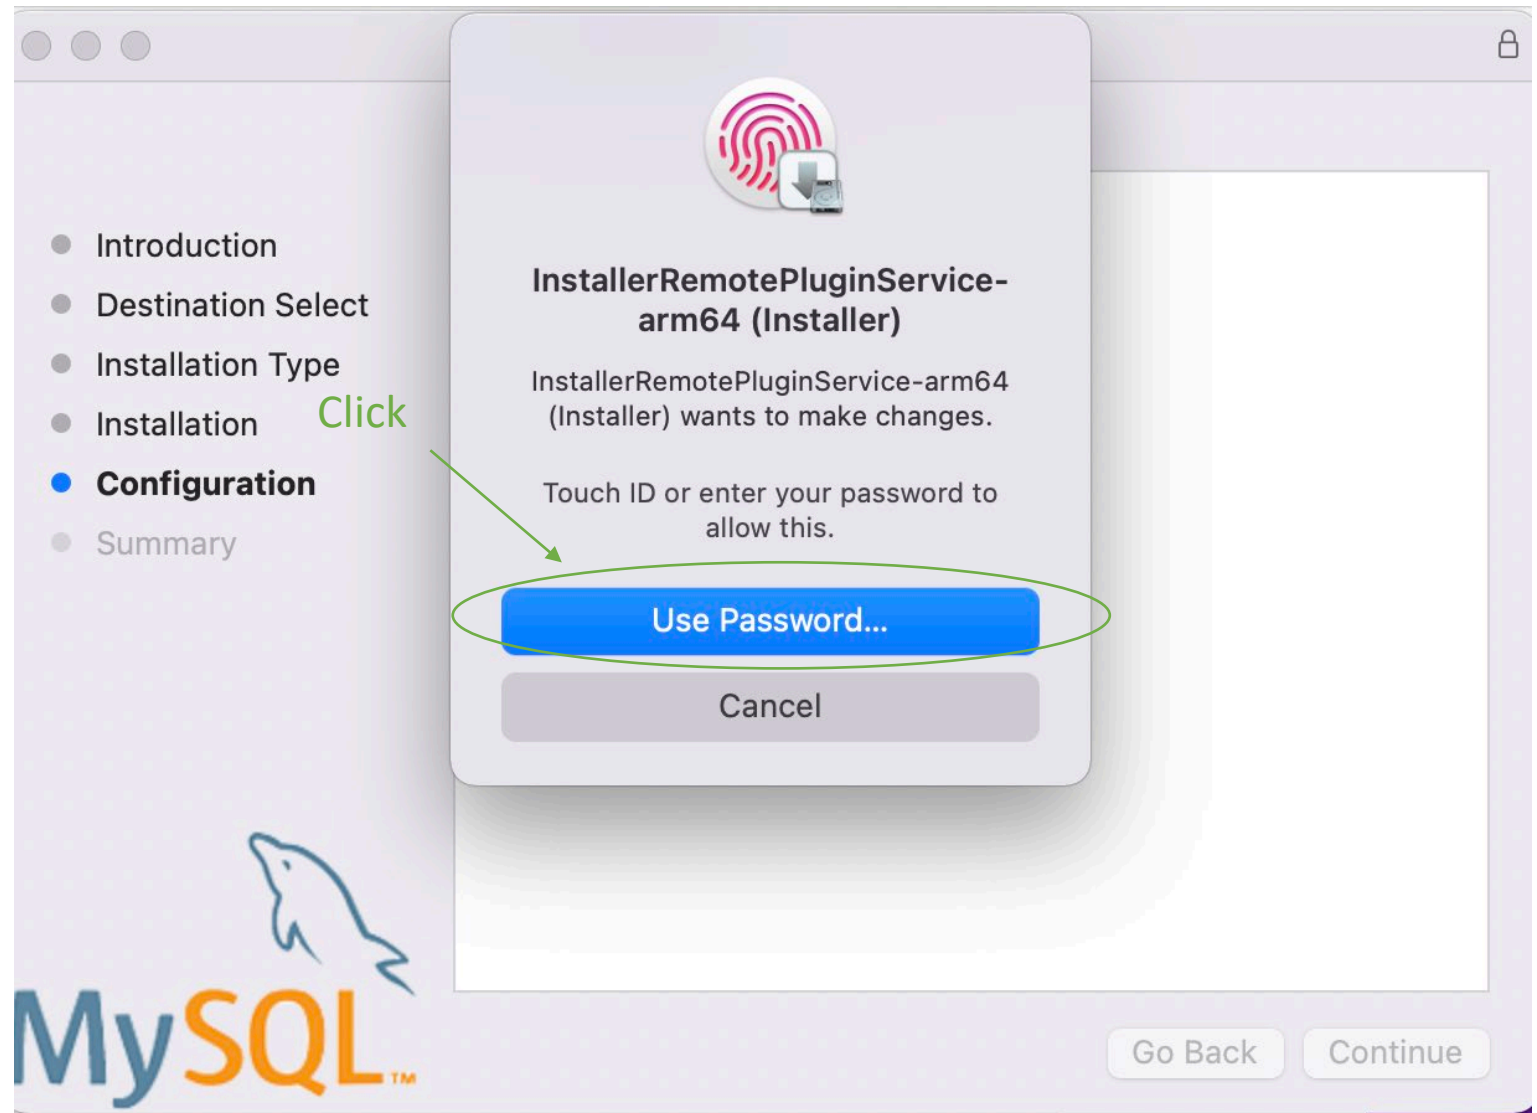

Legacy is for people with connectors or clients from past versions on their computer
Strong is for starting a fresh and new (we are doing this one)
If you have an older computer and we can not connect to the sever this might be one of the issues.

Step 2

Download DataGrip: <https://www.jetbrains.com/datagrip/> (you can use 30-day trial)

The background of the slide is a dark blue gradient. On the right side, there are two large, overlapping circles in a lighter shade of blue. The text 'DataGrip' is positioned on the left side of the slide.

DataGrip

DataGrip Download

The screenshot shows the JetBrains DataGrip download page for macOS. The browser address bar displays `https://www.jetbrains.com/datagrip/download/#section=mac`. The page header includes the JetBrains logo, the product name "DataGrip", and a "Buy" button. A "Download" dropdown menu is visible. The main content area features the DataGrip logo, version information (2021.2.4, Build: 212.5457.41, 7 October 2021), and links for system requirements, installation instructions, third-party software, and other versions. The "Download DataGrip" section has tabs for Windows, macOS (selected), and Linux. A green arrow labeled "Click" points to the "Download" button in the macOS section. Below the button, a message states "DataGrip is available for Intel and Apple Silicon". A footer section promotes the "Toolbox App" for downloading updates.

Version: 2021.2.4

DataGrip Open Installer

The screenshot shows the JetBrains DataGrip download page in a web browser. The URL is <https://www.jetbrains.com/datagrip/download/download-thanks.html?platform=mac>. The page has a dark header with the JetBrains logo and 'DataGrip' text. Below the header, there's a navigation bar with 'Overview' and a 'Buy' button. The main content area has a large heading 'Thank you for downloading DataGrip!' and a subheading 'Your download is ready. If it doesn't, please use the instructions below.' There are links for 'Download and verify the file SHA-256' and 'Third-party software used by DataGrip'. A macOS file opening dialog is overlaid on the page, titled 'Opening datagrip-2021.2.4.dmg'. The dialog shows the file 'datagrip-2021.2.4.dmg' (452 MB) from 'https://download-cdn.jetbrains.com'. It asks 'What should Firefox do with this file?' with options: 'Open with DiskImageMounter (default)', 'Save File', and 'Do this automatically for files like this from now on.' The 'Open with' option is selected and circled in green. The 'OK' button is also circled in green. Green arrows point from the text 'Click' to the 'Open with' dropdown and the 'OK' button. At the bottom, there are two sections: 'Is the trial free?' and 'What is required to start the trial?' on the left, and 'New to DataGrip?' on the right, which includes links for 'Quick Start', 'features page', and 'Follow us on twitter'.
